

# Parent's Spring 2025 Newsletter

Dear parents of Alpha Epsilon Tau,

Thank you for continuing to support us this past school year. It's been a tremendous period of growth, and I look forward to what we can accomplish in the future.

## NEW MEMBERS

We're happy to welcome nine pledges for the incoming delta class! These are men in which we see great potential, and we're excited to see how they develop in the Alpha.

## SPRING FORMAL

Just a few weeks ago, we had the pleasure of traveling to Chicago for our annual spring formal. We had 40 attendees, including brothers and their dates. Some of our activities included the formal banquet, pictures in front of Millennium Park, and a visit to the Laugh Factory, Chicago's premier comedy club. A huge thanks to Brother Liberman (#3) for planning all this out!

## PHILANTHROPY

We're always grateful for the generosity of the Purdue community and their willingness to support those in need. Late last semester, we hosted Chi Psi Christmas, raising \$300 for No Kid Hungry. Additionally, we held the Valentine's Day Rose Sale, fundraising \$600 for Clay Vaughan, a brother at the University of Georgia, who was diagnosed with brain cancer late last year. If you're able, any support to his family would be greatly appreciated ([GoFundMe](#)).

## VOLUNTEERING

Alpha Epsilon Tau has continued to serve the community with involvement at institutions in the West Lafayette area. We had a record breaking 454 service hours last semester, and we hope to continue growing that number through our ongoing partnerships with groups like Imagination Station, Natalie's Second Chance Shelter, and Allied Security!

## LODGE

We look forward to signing next school years lease in the near future for the building we currently hold, and it's great to have so many people excited to live in the Lodge. Looking past this incoming year, we are seeking out potential opportunities to get a new Lodge that can house more brothers.

## TAILGATES

In the near future, we will begin hosting tailgates for football and baseball games. It goes without saying that these events are opened to friends and family! If you're in the area during a game day, make sure to stop by. Look out for more information on the season approaches.

### **FUTURE PLANS:**

While we all have plenty to keep us busy, we are also continuously planning ahead for future events. Relating to parents, we are most excited about seeing you all early next month for our Baseball Tailgate Parent event. Additionally stay tuned for updates on our golf tournament parent event coming up next fall!!

We appreciate you taking the time to read about what we have been up to! Whether you were able to join us for our parent event or not, we sincerely appreciate your continued support of your sons and their involvement in Chi Psi.

Sincerely,  
Alpha Epsilon Tau of Chi Psi
